- 1.) K-LOVE serves me as a resident by providing encouraging, uplifting music and radio programs.
- 2.) If K-LOVE were displaced by an LPFM broadcaster providing other programming some in our community might not be able to get this wonderful music, and might not know of the opportunities in which there are others willing to pray for them, which from many testimonies, these things have greatly impacted so many lives.
- 3.) K-LOVE does public services for example hosting the event where they had volunteers, last year, go to different areas of the city and work ie. cleaning out an inter urban youth center.
